In His Service and For His Glory, Thelma

Watchman's Word: presented by
Thelma Bryant

Fellow Watchmen,

As we are coming to the end of the year, I want to thank each of you for your commitment to being “watchmen for the Lord.” God bless you for the many many hours of prayerful intercession on behalf of Unity in the body of Christ, for Pastors, Ministry Leaders, and for the salvation of men, women, and children on every continent!!! Know that your labor is not in vain according to 1 Corinthians 15:57,58.

As we are moving to 2023, our Holy Spirit has revealed to me three areas of discipline that He desires us to operate in, on a greater level of maturity, as Believers and

Watchmen. They are 1. Extreme Obedience to the Word of God (John 14:15) 2. Ask daily for the Wisdom of God (James 1:5) 3. Desire and Operate in Divine Discernment (Romans 8:11-14). Continue to be yielded and surrendered vessels as our Holy Spirit takes us from “Glory to Glory” (2 Corinthians 3:16-18) as we “keep our focus on Jesus” (Hebrews 12:1,2) and as we continue to stand on the wall until He returns in Glory!!! Hallelujah (Rev. 1:7, Titus 2:13)! Prayer is POWERFUL and God is moving by His Spirit in St. Louis and all over this world!!!

Be encouraged and be blessed PPV Watchmen!!! I am looking forward to 2023 with great expectation to transact more Kingdom Business on Earth with all of you!!!

With much Gratitude for your Faithfulness,
Thelma

“Watchmen's” Reflection

Pull out your journal. Reflect on this past year. How has God shown His faithfulness to you in 2022? Now, think about how you have shown your faithfulness to Him throughout the year. How can you improve or mature in this area next year?
